

# About ...

Hi my name is Lauren Bruce.

I decided to follow my heart and do something I am passionate about, by starting my own business as a Makeup Artist. I did my makeup & hair studies through Lisa Brown International.

I am based in the Helderberg, Somerset West area. I am happily married to an Angel of a husband and we have 3 beautiful pups. I love golfing, dancing, watching series and spending time with friends and family.

My goal is to uplift women by helping them to see their true value and supporting them as they Rise up to be who they are meant to be. I want to create a safe space for women to feel happy, beautiful and capable of doing anything they put their minds to... whether that means rising up to be a business owner, an employee, a mother, a daughter, a wife, or just having enough strength to get up in the morning – whatever it is...

You can and you will do it!

So if you need your makeup done for any occasion by someone who believes beauty comes from the inside and glows on the outside, then take a look at my portfolio and give me a shout!

## Please note:

- ✿ The trial will take place at my premises in Helderberg, Somerset West or alternatively at your chosen location (please note in this case travelling charges may apply outside of Helderberg area).
- ✿ Trials can be scheduled according to availability
- ✿ Preferably no trials in the evening as it is crucial that the trial takes place during times of natural light that would be similar to the actual wedding day.
- ✿ To assist with booking a slot please send 3 possible dates for your trial and I will get back to you with a date that suits us both conveniently.
- ✿ It is best to schedule the trial around a month before the wedding date.
- ✿ For the trial please wear something similar to the colour of your wedding dress.
- ✿ Please bring your chosen lipstick along to the trial (it is recommended that you buy this lipstick so that you can touch-up at any time during your wedding day). Alternatively I can assist you in finding a shade which you can purchase on your own at a later stage.
- ✿ Please make sure you send through preferred look images at least 10 days before your trial date. This way I will be able to give you the best trial experience.
- ✿ For the trial please ensure that your hair and skin preparation is similar to your intended wedding day look.
- ✿ Refreshments and a light lunch would be greatly appreciated if working more than 2 hours on the wedding day
- ✿ See preparation guide for tips on wedding day preparation!
